WAREHOUSE DIRECT
COFFEE & BEVERAGE SERVICE

**A well-stocked and
comfortable breakroom
can lead to an increase in
employee productivity
upwards of 15%**

Products

Your needs simplified. Consolidate your coffee and break room needs with items for your entire workplace.

Multiple coffee options for the discerning tastes of Chicagoans, highlighted by our own **Chicago's Best Perk** blend which is locally roasted, ground and packaged specifically for us by Papa Nicholas in Batavia, IL.

Complete line of all of your breakroom needs including Teas, Cocoa, Sweeteners, Creamers, Snacks, Candy, Soups, Cups, Plates, Utensils and even Breakroom Furniture.

DID YOU KNOW?

- Light roast coffee has more caffeine than dark roast coffee. The longer coffee is roasted, the more caffeine is cooked from the bean.
- Coffee contains antioxidants. One study found that a typical serving of coffee contains more than a serving of grape juice, blueberries, raspberries, or oranges.

Equipment

Coffee Equipment & Accessories

Airpots, thermals, carafes, urns, display racks, warmers and more. Customization or personalization may be available on certain items.

Single Serve, Pot and Batch Coffee systems

Popular single serve options like Keurig, Mars Flavia, Nespresso and Soft Pods. Wide variety of traditional brewers, bean to cup units, and other equipment solutions for the varying needs of the workplace. Equipment often provided and serviced free of charge.

Water coolers and cold beverages

Full line of point of use and bottled water coolers. The latest unit by Lavit, with 100% recyclable capsules, fills the need for a low-calorie, preservative-free cold beverage option.

Services

Our professional drivers will deliver your product the following business day. Having an issue with your equipment? No worries. We can have a technician to you and have you up and running within 24 hours.

Certified Service Personnel

We're qualified to repair and maintain a wide variety of breakroom equipment with our skilled technicians. We can also dispatch a technician directly to you to reduce potential down time on your critical components.

Staff of full-time Service Technicians and Customer Service Team

Fully trained equipment support. Mobile techs drive a rolling warehouse of parts and equipment. Service within 24 hours and our hot swap initiative helps reduce down time.
